“Diagnosis of Substance Abuse and Dependency”

1.5 CEU Credit Hours

Course Objectives:

The primary objectives of the course are to enable a mental health professional to:

1. Understand the DSM-IV criteria for the diagnosis of substance abuse and dependency.
2. Become aware of available assessment tools for substance abuse.

Purpose of this Course:

The purpose of this CEU course is to provide discussion relevant to the mental health counselor on proper assessment for substance abuse and dependency.

Course Outline:

Part 1: Watch the video presentation of course materials.

Part 2: Read the other set Course Notes and this set of documents.

Part 3: Completion and submission of the evaluation of learning quiz.
